

SEEKING Persons with Communication Difficulties due to: Stroke/Aphasia, Parkinson's Disease, Cerebral Palsy, or Traumatic Brain Injury

Join a focus group to share your experiences interacting with businesses / service providers

The Shirley Ryan AbilityLab is holding focus groups with persons with communication disabilities. The goal of this research study is to learn more about participants' experiences when they communicate with businesses / service providers.

If you should qualify for this research study:

- You will participate in one focus group that will last about 2 hours.
- The group will take place either in person at 355 E. Erie Street or online.
- Compensation will be provided.

For more information, please call the Center for Aphasia Research and Treatment at 312-238-6163 or e-mail Elissa Larkin at elarkin@sralab.org.

STU #: 00216306: COMET-C

Principal Investigator: Leora R. Cherney

The Shirley Ryan Abilitylab is an academic affiliate of Northwestern University Feinberg School of Medicine

Date Posted:
